on a tightrope with unseen safety net of love below

Wreck-less abandon with unseen safety net of love below

<https://www.storiesspace.com/stories/micro-fiction/-tightrope-.aspx>

I tried to tell her to be cautious, to understand it's a dangerous world out there. And with those words to ponder, I let her go. And she flew, climbed, and explored, always pushing her limits, on the tightrope, of life.

What she and the rest of you can't see, is I am here for her should she fall, should she need a safety

net, loving arms extended, just off camera, ready.
