Inch by inch I will eat you, till your bones are showing. This will not be torture, you won't feel pain. This will be an easy death.

Am I a serial killer? Want to know about me?

Well I am the only one who can save you from falling off this tree, that you keep hanging from.

Soon I will have wings to fly so I can keep on feeding from creatures, other than what I can eat out from you.

I may be a Caterpillar now but soon will be a beautiful Butterfly.
