Blue Moon found me No love left in my heart Standing alone once more Your voice deep in my soul
... Hold me ... Adore me ... Love me Till the moon turns From blue to gold Blue Moon you left me
Standing alone Without a love in my heart Without a love of my own My arms could ever hold But
only you No love left in my heart As the moon turned From gold to blue

based on the 1934 song Blue Moon composed by Richard Rodgers and Lorenz Hart.
