I was in love with you, You stayed distant. I tried to get over you, Then you pushed me away. I packed my bags To leave. No use on loving someone Who doesn't love me back. You sweet talk me Into coming back. I do, only to return To the cycle I wanted To break badly. I pack my bags again, Something keeps me from leaving. Unappreciated, Unloved, Unfulfilled, Unsatisfied. I should've left When I had the chance.
