Sunrise portrait painted by my muse.

<https://www.storiesspace.com/stories/poetry/intoxicating.aspx>

Striated banding brews patch work stripes; not a devil's work of art kissing heavens hues, but brush strokes and swipes; an appealing palette a la carte. Pinks, reds, greys and blues; another new day strikes, spawning a fresh start painted by my muse, removing darkened spikes. Her canvas always warms my heart.
