An amazing ten days....

One of the best holidays I ever had  
Was when I was fifteen  
When I spent ten days on New Zealand's  
South Island. After landing in Christchurch  
And getting our luggage  
Then going to pick up the car  
We headed down south. Stopping at two glaciers  
Admiring them with awe  
They were spectacular, But  
had to continue down further I guess you'll agree.  
Spending the most time  
Based out of Queenstown,  
Where I went jet boating  
On the Shotover River  
And that was a blast. But the thing that stands out  
Was the first time I saw snow. It was on the side of the road.  
So I got out and picked some up  
And had my first snowball fight. Now when I remember this trip  
With these few happy memories a big  
smile on my face  
And of course thoughts of sheep.
