How long is enough? As I sit here waiting
The clock on the wall Saying tick tock, tick tock
My fingers tapping in rhythm Tap, tap, tap
Waiting, waiting, waiting When will it stop?
The faucet starts to drip Drip, drip, drip
Every sound magnified As I sit here waiting
The timer goes off Ding, ding, ding
Finally the waiting is over
As I open the door I see the most beautiful thing
My boys staring back at me
