I was never good enough for you. Always was a disappointment to you. I can see it on your face. You would never understand me. Now I stand here on the edge of confusion. What are you going to do now? Every moment was a twist and turn. This black maze is my only escape. You gave me a reason to find my lost dreams. Make the innocence disappear! There's no turning back. Now let the fantasy life crumble down. Now I stand here on the on the edge of confusion. What are you going to do now? Every moment was a twist and turn! This black maze is my only escape. This black maze is my only escape. Now you realize your chance for escape is gone. Sorry but you're slipping away! This chance is mine. Let me escape!!
