SAVE ME by Christina Dill: Verse 1: I'm a captured angel, and I'm held down by these chains, screaming in sorrow as I burn in the flames. Chorus: Save me, Save me, I feel so alone, rescue my heart as it turns to stone, rescue me, rescue me, I can't breathe, save me from this misery. Verse 2: I am transforming, my wings are turning black, as I am morphing, the clock I wanna turn back. (Repeat Chorus) Verse 3: A beautiful demon, A sweet distaster, A gorgeous weapon, A lucious beast, A hot monster. (Repeat Chorus) Save me don't let me burn. Save me while I'm still me, don't let me turn to the beast growing inside of me. Save me!
